

Access to NHS Dentistry is currently limited during the pandemic as dentists have been asked to stop all routine “face-to-face” dental care.

However,

if you need urgent dental care, help is at hand:

CALL your dental practice:

They will give you advice over the telephone
and make arrangements for you
if you need to be seen.

If you don't have a dentist, find your nearest dentist and CALL them. You can search for your nearest dentist at: <https://www.nhs.uk/service-search/find-a-dentist>

Do not worry if you have COVID-19 symptoms, appropriate arrangements can be made to see you if you need urgent dental care.
